A Word of Welcome

Fáilte i ndairire a chur roimh ar gcuairteoirí Féile go Tobar Phádraig an deireadh seachtaine seo.

I am delighted to extend on behalf of the Patrickswell GAA club a very sincere welcome to our Féile visitors to Patrickswell this weekend.

We have a great Féile tradition in Patrickswell and look forward to continuing our commitment to this model of participation in our national games.

I would particularly like to thank the clubs hard working Féile sub committee under the guidance of Raymond Fitzgerald and Breda Leahy and of course to our club sponsors Duggan Systems who are so good to our club and by extension to our community.

I have no doubt that we will have a memorable weekend.

Pól O Foghlú
(Cathaoirleach CLG Tobar Phádraig)

On behalf of Bord Na nÓg Tobar Phádraig, I would like to extend an extremely warm welcome to O'Loughlin Gaels and Lucan Sarsfields players, managements and supporters.

Féile Na nGael is a fantastic festival of hurling with a focus on enjoyment and the forging of new friendships. We were lucky enough to experience this first hand in Dublin last year and we look forward to ensuring that our guests from Kilkenny and Dublin will return home with great memories of their short stay with us.

I would like to thank sincerely all the club members, supporters, parents and sponsors who have all contributed greatly to the organisation of this Féile weekend. I also want to thank all our Juvenile coaches for the excellent work they continue to do to help all our young players reach their potential.

Raymond Fitzgerald,
(Chairman, Patrickswell Juvenile Club).

Patrickswell Camogie Club was founded in 1956. It disbanded for a number of years and was reformed again in 1983. We are affiliated to our Senior GAA club who have been a tremendous support down through the years. As a camogie club we look forward to a fantastic future, all our teams have had great success to date and we hope to continue this.

Being part of hosting the Féile in Limerick this year is a very exciting time in Camogie not only for the club and its players but the local supporters. We currently have about 80 girls involved in Camogie for our club at various levels, from U6 to Junior level. Our U14's are going to have a very busy weekend during the Féile weekend, we wish them every success.

We welcome the Lucan Sarsfields Camogie club, Dublin and look forward to meeting both players and supporters and hope that we all have a great sporting weekend.

Breda Leahy
(Chairperson Patrickswell Camogie Club).
